

EXETER RURAL FIRE BRIGADE

ABN 99 379 569 024

Post Office Box 3355 Exeter NSW 2579

On the evening of
Wednesday 12th December

Santa will be driving
around Exeter

in his big red sleigh

– the Exeter Fire Brigade's tanker!

The tanker will leave the shed at 5.30pm and proceed under the railway then via School Lane, Pile Street, Norwood Street, then to Wilsons Lane, Jensens Lane, down Middle Road, past the General Store, drive a loop through Yarwood Drive and then will be back at the playground at Exeter Oval by 6.30pm for those children who otherwise might miss him. Hope to see as many children (and the young at heart) as possible on the way.

He is a busy man at this time of year, so he will have to leave Exeter Park by 7.30pm.
